

HOUSE OF COMMONS
LONDON [REDACTED]

Mr Michael Mew
[REDACTED]

11th August 2010

Dear Mr Mew

Further to our meeting at the Yvonne Carr Centre, I have now written to Earl Howe, Parliamentary Under-Secretary of State for Quality with responsibility for Dentistry and Innovation, at the Department of Health. I have enclosed copies of the documents you provided me with and I have asked him for his comments on what might be done toward having your techniques debated. I will send you his reply.

Yours sincerely
